

Spotlight Dance Cup Presents...

The Royalty Rewards Program

Spotlight is proud to present our new “Royalty Rewards Program”. In addition to providing you the opportunity to receive a rebate with your registration as we’ve offered in the past, you now have the chance to earn even greater discounts for every year you participate in Spotlight Dance Cup! Consider it a token of appreciation for your loyalty and support. Your studio is automatically registered for this fabulous program so you can begin enjoying the benefits immediately!

As you reach the milestones of competing for 5, 10 and 15 years at Spotlight, your Royalty Reward Rebate increases, and you will be presented with your very own personalized gift! Please see scale below for breakdown.

Years Attending	Membership Level	Pay By Credit Card By Rebate Date	Pay Check By Rebate Date
5-9	Emerald	3%	6%
10-14	Ruby	3%	7%
15-20	Diamond	3%	8%

Studios must spend a minimum of \$1,000 and register online to be eligible for the rebate.

*****IMPORTANT: All payment must be postmarked by the rebate date. Please be aware that if paying by credit card, regardless of level, you will receive a 3% rebate only. You receive the highest possible rebate amount by paying with a certified check by the rebate date. If payment is postmarked after the rebate date, no rebate will be given regardless of level.*****

Royalty Rewards Gifts and Recognition:

To commemorate your progression into each subsequent Royalty Rewards level, (Emerald, Ruby & Diamond) you will be awarded your very own personalized soft briefcase. Once you reach the Ruby and Diamond levels, look for a commemorative decal on your group plaque and a special recognition by our Show Directors. You will see each year as your Royalty Rewards status grows!

In order to continue moving up to each level, the client must attend the competition in sequential years. However, all studios are allowed a 2 year grace period of non-attendance. Once this grace period has expired, studios and their directors will be automatically re-enrolled in the Royalty Rewards program as a Sapphire member and receive benefits as such.
